

INDUSTRY SKILLS COURSE

**ABORIGINAL PRE-EMPLOYMENT COURSE
6 WEEK COURSE WITH OPTIONAL WORK
PLACEMENT ON COMPLETION
COMMENCING 10 FEBRUARY 2020**

**JUST LEFT SCHOOL OR NEED HELP TO DEVELOP THE RIGHT SKILLS TO
START WORK? WE ARE HERE FOR YOU**

Together with Central Regional Tafe, Working Together and the Mid West Chamber of Commerce and Industry are offering an "Industry Skills" pre employment program. This program will allow participants to explore a broad range of skills required to enter the workforce.

The content covered will include a wide variety of skills such as:

***Career planning, interview techniques, communication and
team building skills.***

Participants will also learn practical tasks including:

***Customer engagement, using business technology, financial literacy and
budgeting.***

Throughout the program, participants will build confidence through exploring interests and strengths and creating a focused, individualised career action plan.

This is an opportunity to develop a broad range of skills, which will improve employment opportunities. The course includes the support of Aboriginal mentors and a range of guest speakers, who will provide the participants with practical strategies and support to help address the barriers associated with gaining and maintaining full-time employment.

On completion of the 6 week course participants will be supported to secure a work placement.
